

"To achieve high quality telecommunications services at OECD benchmark prices for Australian businesses."

ATUG 2010 National Broadband Network End User Premises Handbook Forum

Sydney

Wednesday February 24, 8:30am for 9am to 11am

Maddocks, Level 21 Angel Place, 123 Pitt St

End User Premises Installation, Distribution, Testing and Associated Practice Handbook

The draft Handbook provides installation practices and guidelines for the installation and operation of the NBN at customers' homes, businesses and other service sites. The draft Handbook details key information and issues and is intended provide a common reference point for further discussions among the communications industry, construction industry, NBN infrastructure providers, government and regulators.
